Step 2 of 8

Congratulations, you have successfully reserved a spot - but you MUST continue with the application in order to receive a microgrant!

Felicitaciones, ha reservado un lugar con éxito, pero DEBE continuar solicitando una Micro Subvencion!

Please continue to complete the application. Do not reload the page, or click back. If your internet crashes or the page reloads, unfortunately you will lose your spot this cycle. If you stop at this point, your application will not be submitted!

Continúe llenando la solicitud. No recargue la página, ni haga clic de nuevo. Si su Internet falla o la página se recarga, desafortunadamente perderá su lugar en este ciclo. Si se detiene a este punto, ¡su solicitud no será enviada!
